

# CONCRETE MIXER

## MIDI CONCRETE MIXER

### CHARACTERISTICS

- Single-phase engine 230V/50Hz
- Silenced transmission, switch with minimum tension coil IP 55, thermal protection and IP 67 CEE plug
- Steel bathtub in 3 parts
- Blades mixing screwed, semipneumatic rubber wheels and steel wheel rim
- Rudder handling available on request with motor 380V / 50Hz

Technical data	U.M.	350	500
tank capability	lt	350	500
yield	lt	300	430
water tank capacity	n°	60	60
electrical engine power	Hp	3	3
gasoline engine power	Hp	4,8	5,5
diesel engine power	Hp	7,5	7,5
shovel's electric engine	Hp	2,5	2,5
length	cm	180	180
width	cm	180	200
height	cm	250	270
weight without shovel	Kg	720	720
